Representative Experience

- Successfully defended claim brought by estate executor and the Attorney General regarding over \$2 million in gifts to our client. The Crawford County Orphan's Court dismissed the claim
- Successfully defended school district against claims related to consolidation plan. Following bench trial in the Warren County Court of Common Pleas, the Court dismissed the claims
- Won a tax assessment valuation case on behalf of Erie area taxing bodies, resulting in additional past due taxes of nearly \$1.2 million
- Successfully defended a tax assessment appeal on behalf of the Warren County Board of Assessment Appeals, in which the property owner sought to decrease the tax assessment on a multi-million-dollar manufacturing facility by half. The decision saved the taxing bodies from losing over \$30,000 of annual tax revenue
- Obtained a favorable decision from the Erie County Court of Common Pleas on behalf of Erie's Public Schools regarding a medical office building's property value, resulting in increased property tax revenue for the district

- Obtained a favorable decision from the Commonwealth Court on behalf of a school district client, reversing a trial court decision in a tax assessment case involving commercial property valuation
- Successfully challenged a tax exemption case in Warren County on behalf of the taxing bodies. Following the hearing, the Court denied the property owner's request for a tax exemption, finding it was not an "institution of purely public charity" under the Pennsylvania Constitution
- Obtained a unanimous decision from the Pennsylvania Supreme Court in favor of a developer. The case involved the attempt of union employee benefit trust funds to assert mechanics lien claims against the developer's property when contractors on the project failed to make benefit contributions
- Successfully challenged an ordinance in a Commonwealth Court case on behalf of a landlord, involving an alleged violation of the construction code in a property that was built prior to adoption of the code
